"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country can better our printing and we want you to know it.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

COLORED HIGH SCHOOL

Commencement Last Night—Good
Music—An Able Address

The annual Commencement of the Colored High School took place at the Opera-house last evening, following the program as published a day or so ago.

The stage setting was very pretty, the teachers along one side, the class across the stage, the other side occupied by the piano, at which Principal C. W. Reynolds presided as accompanist.

The chorus, "Hail Us, Ye Free," by the entire school, was an auspicious index to the good music that was to follow, and which was heartily applauded by the large audience.

The Invocation was by the Rev. J. M. Price.

The subjects for the Orations by the Graduates were well chosen, and as a whole were well treated, though one or two of the young speakers showed themselves ill at ease in the presence of such a large assembly. However, all did exceedingly well, and without disparagement to the others it may be said that Messrs. Samuel W. Robinson and James A. Mundy and Miss Essie Williams carried off the honors.

The solos by Mrs. Payn of Springfield, O., were well received. "Creole's Love Song" being especially sweet.

Miss Nannie Wood also sang a pretty solo; and the Misses Wood, J. S. Young, Alice Simms and N. Young composed a quartette that closed the musical numbers.

President Salles of the Board of Education presented the Diplomas in an address that was full of good advice to the parent as well as pupil, and which if followed will make the Colored Schools of Maysville second to none in the state.

Then came the Address, "Growing," by Professor Frank L. Williams of Covington; and when Principal Reynolds in his introduction heralded him as "without a superior and with few equals" as a speaker he voiced the truth. He was not only master of his theme, but he was a master who wrought beautiful thoughts, high ideals, and who readily commanded the words to mold them into finished sentences.

It was the first appearance of Professor Williams in Maysville, but it is hoped it will not be the last.

For the complete success of the event much credit is due to Principal Reynolds and his Assistants, and the presence of so many to witness the exercises was highly gratifying to them.
